PREFACE

WHAT IS THE MISSOURI UNITED SCHOOL INSURANCE COUNCIL (MUSIC)?

MUSIC is a non-profit, Protected Self-Insurance Pooling Program formed under §537.620 of the Revised Statutes of Missouri which is designed to provide broad Property and Casualty coverages under one comprehensive plan for all participating members. As it exists solely for the benefit of its participating Public School Districts, Community Colleges, and affiliated organizations, coverage is tailored to the needs of those entities and comprehensive risk management services are added to further reduce risk and cost.

Members pay an annual assessment to the organization which is retained to pay losses, fund a modest administrative budget, buy risk management services, and to purchase comprehensive excess insurance and reinsurance. It is this excess insurance and reinsurance that allows the Program to cap large losses at an affordable level, but allows MUSIC, through its claim administrators, to manage and control all losses within the Self-Insured Retention, thereby eliminating the need for a profit-driven insurance company to be involved at that level. This concept has already revolutionized the way public entities buy coverage with over 450 similar pooling arrangements in the country and with approximately 90% of Missouri School Districts and eight Community Colleges participating in MUSIC.

Because MUSIC is a pooling arrangement made up of its members, the loss fund belongs to you. This makes loss prevention and claims management important factors in the effective management and control of your loss fund. Monies saved result in maintaining low assessment rates and/or increasing coverage. Member cooperation and communication with MUSIC and its administrators is essential to the success of the program. Assistance will be given to you in developing programs and policies that will help reduce your losses. The benefit will be the continued well-being and safety of all the member's students and employees.

FOREWORD

The following Plan Document has been prepared so that you will have both a quick, summary reference into the major components of coverage and a detailed explanation using the specific wording of the protection being provided.

This Plan Document should not necessarily, however, be construed as the only reference of the coverage available to members of MUSIC. For all coverages except auto liability, general liability and school board legal liability, an excess insurance policy provides coverage to members of MUSIC once the loss exceeds a certain dollar amount. Thus, any loss is subject to the terms, language and conditions of the particular excess insurance policy or reinsurance contract, if applicable. While we have tried very hard to present the coverages contained within those policies as accurately as possible, any covered loss will be adjusted according to their policy wording. The policies are written in the name of MUSIC and are on file in the MUSIC office. The review of these Documents is open to any MUSIC member at any time during normal business hours. With regard to auto liability, general liability and school board legal liability, MUSIC has purchased reinsurance and the members should look solely to the plan document for coverage terms.

The Program Coverage Summary on pages 7 and 8 is intended to be an overview of the coverages provided by this Plan Document. However, the specific provisions, stipulations, exclusions and conditions in each Coverage Agreement shall govern the scope of the coverage provided.

We have taken great care to put together a program that meets the needs of Missouri Public School Districts, Community Colleges, and related organizations. We feel that your commitment to MUSIC and to this concept is the keys to our collective success. Please always remember that this is your program and is here only to serve you, so if you have any questions at all, please do not hesitate to contact me. Specific coverage questions, however, are better directed to Anita Kiehne, Scott Wightman, or Peggy Wilson at Arthur J. Gallagher Risk Management Services, Inc. - St. Louis.

Sincerely,

Mr. Mark Stockwell
Executive Director

A. COVERAGE

This Equipment Breakdown Coverage provides coverage for a Covered Cause of Loss as defined in A.1. below. In the event of a covered Cause of Loss, coverage provided for loss as described in A.2. below.

1. Covered Cause of Loss- "Accident"

The Covered Cause of Loss for this equipment Breakdown Coverage is an "accident." Without an "accident," there is no Equipment Breakdown Coverage.

- a. **"Accident"** means a fortuitous event that causes direct physical damage to "covered equipment." The event must be one of the following:

1. Mechanical Breakdown, including rupture or bursting caused by centrifugal force;
2. Artificially generated electrical current, including electrical arcing, that damages electrical devices, appliances or wires;
3. Explosion, other than combustion or explosion, of steam boilers, steam piping, steam engines, or steam turbines;
4. An event inside steam boilers, steam pipes, steam engines or steam turbines that damages such equipment;
5. An event inside hot water boilers or other water heating equipment that damages such equipment; or
6. Bursting, cracking or splitting.

"Accident" does not include any condition or event listed in Definition G.1.b. (page 44)

- b. **"Covered Equipment"** means the following:

1. Unless specified otherwise in the Coverage Summary:
 - (A) Equipment that generates, transmits or utilizes energy, including electronic communications and data processing equipment; or
 - (B) Equipment which, during normal usage, operates under vacuum or pressure, other than the weight of its contents.
2. Except as specifically provided for under Off Premises Property Damage, Service Interruption, Contingent Business Income, paragraph (2) of Perishable Goods and Civil Authority, such equipment must be at a location listed on the Member Statement of Values and must be owned or leased by you or operated under your control.

2. Coverages Provided

This section lists the coverages that may apply in the event of an "accident." Each coverage is subject to a specific limit as shown in the Coverage Summary. See paragraph C.2.

These coverages apply only to the direct result of an "accident." For each coverage, MUSIC will pay only for that portion of the loss, damage or expense that is solely attributable to the "accident."

a. Property Damage

Physical damage to "covered property" that is at a location owned, leased or operated under your control at the time of the "accident."

b. Off Premises Property Damage

If you have transportable "covered equipment" that, at the time of the "accident," is within the Coverage Territory, but is not:

1. At a location indicated on your Statement of Values; or
2. At any other location owned or leased by you, coverage provided for physical damage to such "covered equipment."

c. Business Income

1. Actual loss of "business income" during the "period of restoration" that results directly from the necessary total or partial interruption of your business.
2. Any necessary expenses you incur during the "period of restoration" to reduce the amount of loss under this coverage. Such expenses are covered to the extent that they do not exceed the amount of loss that otherwise would have been payable under this coverage.
3. Consideration for the actual experience of your business before the "accident" and the probable experience you would have had without the "accident" in determining the amount payable to you.

d. Extra Expense

Reasonable and necessary "extra expense" to operate your business during the "period of restoration"

e. Service Interruption

Loss and expense as defined under Business Income coverage and Extra expense coverage that is the result of an "interruption of service."

f. Contingent Business Income

We will pay for your loss and expense as defined under Business Income and Extra Expense coverages that:

1. Results from an "interruption of supply"; or
2. Results from an "accident" at an "anchor location."

g. Perishable Goods

1. Physical damage to "perishable goods" due to "spoilage."
2. Physical damage to "perishable goods" due to "spoilage" that is the result of an "interruption of service."
3. Physical damage to "perishable foods" due to contamination from the release of refrigerant, including but not limited to ammonia.
4. Any necessary expenses you incur during the "Period of Restoration" to reduce the amount of loss under this coverage. Coverage for such expense is provided to the extent that they do not exceed the amount of loss that otherwise would have been payable under this coverage.

h. Data Restoration

1. Reasonable and necessary cost to research, replace or restore lost "data."
2. Loss and expense as defined under Business Income coverage and Extra Expense coverage that is the result of h.(1) above, if such coverage is otherwise applicable under this document. This coverage is included within and subject to your Data Restoration Limit.

i. Demolition

1. This coverage applies if an "accident" damages a building that is "covered property" and the loss is increased by an ordinance or law that:
 - (A) Requires the demolition of a building that is otherwise reparable;
 - (B) Is in force at the time of the "accident"; and
 - (C) Is not addressed under Hazardous Substances coverage or Mold coverage.
2. The following additional costs to comply with such ordinance or law:
 - (A) Your actual and necessary cost to demolish and clear the site of the undamaged parts of the building; and
 - (B) Your actual and necessary cost to reconstruct the undamaged parts of the building.
3. As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no such ordinance or law been in force at the time of the "accident."
4. Loss and expense as defined under Business Income coverage and Extra Expense coverage that is the result of i.(1) above, if such coverage is otherwise applicable under this document. This coverage is included within and subject to your Demolition limit.

j. Ordinance or Law

1. This coverage applies if an "accident" damages a building that is "covered property" and the loss is increased by an ordinance or law that:
 - (A) Regulates the construction or repair of buildings, including "building utilities";
 - (B) Is in force at the time of the "accident"; and
 - (C) Is not addressed under Demolition coverage, Hazardous Substances coverage or Mold coverage.
2. Coverage is also provided for the following additional costs to comply with such ordinance or law:
 - (A) Your actual and necessary cost to repair the damaged portions of the building;
 - (B) Your actual and necessary cost to reconstruct the damaged portions of the building; and
 - (C) Your actual and necessary cost to bring undamaged portions of the building into compliance with the ordinance or law.

3. As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no such ordinance or law been in force at the time of the "accident."
4. Loss and expense as defined under Business Income Coverage and Extra Expense coverage that is the result of j.(1)above, if such coverage is otherwise applicable under this document. This coverage is included within and subject to your Ordinance or Law limit.

k. Expediting Expenses

With respect to your damaged "covered property," payment will be made for reasonable extra cost to:

1. Make temporary repairs; and
2. Expedite permanent repairs or permanent replacement.

l. Hazardous Substances

1. The additional cost to repair or replace "covered property" because of contamination by a "hazardous substance." This includes the additional expenses to clean up or dispose of such property. This does not include contamination of "perishable goods" by refrigerant, including but not limited to ammonia, which is addressed in Perishable Goods.
2. As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no "hazardous substance been involved.
3. You will be paid for your loss and expense as defined under Business Income coverage and Extra Expense coverage that is the result of (1) above, if such coverage is otherwise applicable under this document. This coverage is included within and subject to your Hazardous Substances limit.

m. Newly Acquired Locations

1. You will notify MUSIC within 90 days of any newly acquired location that you have purchased or leased during the Document Period.
2. All coverages applicable to any scheduled location under the Equipment Breakdown Coverage are extended to a newly acquired location that you have purchased or leased during the Document Period.
3. This coverage begins at the time you acquire the property. As respects newly constructed properties, we will only consider them to be acquired by you when you have fully accepted the completed project.
4. This coverage ends when any of the following first occurs:
 - (A) This Document expires;
 - (B) The number of days specified in the document for this coverage expires after you acquire the location;
 - (C) The location is added to your Statement of Values; or
 - (D) The location is incorporated into the regular coverage of another Equipment Breakdown policy you have,

5. The most that will be paid for a loss, damage or expense arising from any "one accident" is the amount shown as the Newly Acquired Locations Limit in the Coverage Summary.

n. Course of Construction

This coverage is automatically included.

1. All coverages applicable to any location described on your Statement of Values are extended to an expansion or rehabilitation of that location.
2. This coverage begins at the time you begin the expansion or rehabilitation project.

o. Mold

1. We will pay for the additional cost to repair or replace "covered property" because of contamination by mold, fungus, mildew or yeast, including any spores or toxins created or produced by or emanating from such mold, fungus, mildew or yeast, resulting from an "accident". This includes the additional costs to clean up or dispose of such property. This does not include "spoilage" of personal property that is "perishable goods" to the extent that such "spoilage" is covered under Perishable Goods coverage.
2. As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no mold, fungus, mildew, yeast, spores or toxins been involved.
3. We will also pay for your loss and expense as defined under Business Income coverage and Extra Expense coverage that is the result of (1) above, if such coverage is otherwise applicable under this Coverage. This coverage is included within and subject to your Mold limit.
4. We will also pay the cost of testing performed after repair or replacement of the damaged "covered property" is completed only to the extent that there is reason to believe there is the presence of mold, fungus, mildew, yeast, spores or toxins.
5. The most we will pay for loss, damage or expense arising out of any "one accident" is the Mold limit. With respect to a particular "accident" which results in mold, fungus, mildew, yeast, spores or toxins, we will not pay more than your Mold limit even if the mold, fungus, mildew, yeast, spores or toxins continues to be present or active or recurs in a later coverage period.

p. Civil Authority

We will pay for your loss and expense as defined under Business Income and Extra Expense coverages that results from a civil authority prohibiting access to a location described in the Declarations due solely to an "accident" that causes damage to property within one mile of such location, provided that such action is taken in response to dangerous physical conditions resulting from the "accident," or to enable a civil authority to have unimpeded access to the damaged property.

q. Green

1. With respect to "covered property," we will pay for additional costs you incur:
 - (A) To repair damaged property using equipment, materials and service firms required or recommended by a "recognized environmental standards program," if repair is the least expensive option as described in Section E. LOSS CONDITIONS, 10. Valuation, paragraph a.;
 - (B) To replace damaged property using equipment, materials and service firms required or recommended by a "recognized environmental standards program," if replacement is the

least expensive option as described in Section E. LOSS CONDITIONS, 8. Valuation, paragraph a.:

- (C) To dispose of damaged property or equipment, if practicable, through a recycling process; and

2. With respect to any building that is "covered property" which, at the time of the "accident," was certified by a "recognized environmental standards program," we will pay for costs you incur:
 - (A) To prevent a lapse of such certification;
 - (B) To reinstate the certification or replace it with an equivalent certification;
 - (C) For an engineer authorized by a "recognized environmental standards program" to oversee the repair or replacement of the damaged "covered property"; and
 - (D) For a Professional Engineer to commission or recommission your damaged mechanical, electrical, or electronic building systems.
 3. We will also pay for your loss and expense as defined under Business Income coverage and Extra Expense coverage that is the result of (1) and (2) above, if such coverage is otherwise applicable under this Coverage. This coverage is included within and subject to your Green limit.
 4. This Green coverage is subject to the following provisions:
 - (A) This coverage applies in addition to any coverage that may apply under Section E. LOSS CONDITIONS, 8. Valuation, paragraph d. Environmental, Safety and Efficiency Improvements, or any other applicable coverage.
 - (B) This coverage only applies to "covered property" that must be repaired or replaced as a direct result of an "accident."
 - (C) This coverage does not apply to any property or equipment that is valued on an Actual Cash Value basis under this Coverage.

B. EXCLUSIONS

MUSIC will not pay for any excluded loss, damage or expense, even though any other cause or event contributes concurrently or in any sequence to the loss, damage or expense.

1. MUSIC will not pay for loss, damage or expense caused directly or indirectly by any of the following, whether or not caused by or resulting from an "accident."

a. Fire and Explosion

1. Fire, including smoke from a fire.
2. Combustion explosion. This includes, but is not limited to, a combustion explosion of any steam boiler or other fired vessel.

3. Any other explosion, except as specifically provided in A.1.a.(3).

b. Ordinance or Law

The enforcement of, or change in, any ordinance, law regulation, rule or ruling regulating or restricting repair, replacement, alteration, use, operation, construction or installation, except as specifically provided in A.2. Demolition, Ordinance or Law, Hazardous Substances and Mold coverages.

c. Earth Movement

Earth Movement, whether natural or human-made, including but not limited to earthquake, shock, tremor, subsidence, landslide, rock fall, earth sinking, sinkhole collapse or tsunami.

d. Nuclear Hazard

Nuclear reaction, detonation or radiation, or radioactive contamination however caused.

e. War and Military Action

1. War, including undeclared or civil war;
2. Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
3. Insurrection, rebellion, revolution, usurped power, political violence or action taken by governmental authority in defending against any of these.

f. Water

1. Flood, surface water, waves, tidal waves, tides, tidal waves, overflow of any body of water, or their spray, all whether driven by wind or not;
2. Mudslide or mudflow; or
3. Water that backs up or overflows from a sewer, drain or sump.

However, if electrical "covered equipment" requires drying out because of the above, we will pay for the amount you actually expend to dry out such equipment, subject to the applicable Property Damage limit and Direct Coverage deductible. We will not pay more than the Actual Cash Value of the affected electrical "covered equipment." We will not pay to replace such equipment for any other loss, damage or expense.

g. Failure to Protect Property

Your failure to use all reasonable means to protect "covered property" from damage following an "accident."

h. Fines

Fine, penalty or punitive damage.

i. Mold

Mold, fungus, mildew or yeast, including any spores or toxins created or produced by or emanating from such mold, fungus, mildew or yeast. This includes, but is not limited to, costs arising from clean up, remediation, containment, removal or abatement of such mold, fungus, mildew, yeast, spores or toxins, except as specifically covered under Mold coverage. However,

this exclusion does not apply to "spoilage" of personal property that is "perishable goods" to the extent that such "spoilage" is covered under Perishable Goods coverage.

j. Vandalism

Vandalism, meaning a willful and malicious act that caused damage or destruction.

2. MUSIC will not pay for an "accident" caused by or resulting from any of the following causes of loss:
 - a. Lightning.
 - b. Windstorm or Hail. However, this exclusion does not apply when:
 1. "Covered equipment" located within a building or structure suffers an "accident" that results from wind-blown rain, snow, sand, or dust; and
 2. The building or structure did not first sustain wind or hail damage to its roof or walls through which the rain, snow, sand or dust entered.
 - c. Collision or any physical contact caused by a "vehicle." This includes damage by objects falling from aircraft. However, this exclusion does not apply to any unlicensed "vehicle" which you own or which are operated in the course of your business.

 - j. Elevator Collision.
3. MUSIC will not pay for an "accident" caused by or resulting from any of the following perils, if such peril is a covered cause of loss under another coverage part or policy of insurance you have, whether collectible or not, and without regard to whether or not the other coverage part or policy of insurance provides the same coverage or scope of coverage as this document.
 - a. Falling Objects.
 - b. Weight of Snow, Ice or Sleet.
 - c. Water Damage, meaning discharge or leakage of water or steam as the direct result of the breaking apart or cracking of any part of a system or appliance containing water or steam.
 - d. Collapse
 - e. Breakage of Glass.
 - f. Freezing caused by cold weather.
 - g. Discharge of molten material from equipment, including the heat from such discharged material.
4. Exclusions 2. and 3. Do not apply if all of the following are true:

- a. The excluded peril occurs away from any location listed on your Statement of Values and causes an electrical surge or other electrical disturbance;
 - b. Such surge or disturbance is transmitted through utility service transmission lines to a described location;
 - c. At the location, the surge or disturbance results in an "accident" to "covered equipment" that is owned or operated under the control of you or your landlord; and
 - d. The loss, damage or expense caused by such surge or disturbance is not a covered loss under another coverage part or policy of insurance you have, whether collectible or not the other coverage part or policy of insurance provides the same coverage or scope of coverage as this document.
5. With respect to Business Income, Extra Expense and Service Interruption coverages, MUSIC will also not pay for:
- a. Loss associated with business that would or not have been carried on if the "accident" had not occurred;
 - b. Loss caused by your failure to use due diligence and dispatch and all reasonable means to resume business;
 - c. That part of any loss that extends beyond or occurs after the "period of restoration." This includes, but is not limited to:
 - 1. "Business Income" that would have been earned after the "period of restoration," even if such loss is the direct result of the suspension; lapse or cancellation of a contract during the "period of restoration"; and
 - 2. "Extra expense" to operate your business after the "period of restoration," even if such loss is contracted for and paid during the "period of restoration"

6. With respect to Off Premises Property Damage coverage, Service Interruption coverage, Contingent Business Income coverage, paragraph (2) of Perishable Goods coverage and Civil Authority coverage, we will also not pay for an "accident" caused by or resulting from any of the perils listed in Exclusion 3. above, whether or not such peril is a covered cause of loss under another coverage part or policy of insurance you have.
7. With respect to Data Restoration coverage, MUSIC will also not pay to reproduce:
- a. Software programs or operating systems that are not commercially available; or
 - b. "Data" that is obsolete, unnecessary or useless to you.

- a. Increased demolition or reconstruction costs until they are actually incurred; or
 - b. Loss due to any ordinance or law that:
 - 1. You were required to comply with before the loss, even if the building was undamaged; and
 - 2. You failed to comply with; whether or not you were aware of such non-compliance.

C. LIMITS OF COVERAGE

1. Equipment Breakdown Limit

The most MUSIC will pay for loss, damage or expense arising from any "one accident" is the amount shown as the Equipment Breakdown Limit in the Coverage Summary.

2. Coverage Limits

- a. The limit of your coverage under each of the coverages listed in A2. from loss, damage or expense arising from any "one accident" is the amount indicated for that coverage in the Coverage Summary. These limits are a part of, and not in addition to, the Equipment Breakdown Limit. If an amount of time is shown, coverage will continue for no more than that amount of time immediately following the "accident." If a coverage is shown as "Included," that coverage is provided up to the remaining amount of the Equipment Breakdown Limit. If no limit is shown in the Coverage Summary for a coverage, or if a coverage is shown as Excluded, that coverage will be considered to have a limit of \$0.
- b. If two or more coverage limits apply to the same loss or portion of a loss, MUSIC will pay only the smallest of the applicable limits for that loss or portion of the loss. This means that if:
 1. You have a loss under one of the coverages listed in A2.; and
 2. All or part of the loss is not covered because the applicable coverage is Excluded or has a limit that is less than the amount of your loss, MUSIC will not pay the remaining amount of such loss under any other coverage.

EXAMPLE 1

Property Damage Limit: \$7,000,000

Business Income Limit: \$500,000

Hazardous Substances Limit: \$25,000

There is an "accident" that results in a loss of \$100,000. If no "hazardous substance" had been involved, the property damage loss would have been \$10,000 and the business income loss would have been \$20,000. The presence of the "hazardous substance" increased the loss by \$70,000 (increasing the clean up and repair costs by \$30,000 and increasing the business income loss by \$40,000). We will pay \$55,000 (\$10,000 property damage plus \$20,000 business income plus \$25,000 hazardous substances).

D. DEDUCTIBLES

1. Deductibles for Each Coverage

- a. MUSIC will not pay for loss, damage or expense under any coverage until the amount of the covered loss or damage exceeds the deductible amount indicated for that coverage in the Coverage Summary. We will then pay the amount of loss, damage or expense in excess of the applicable deductible amount, subject to the applicable limit indicated in the Coverage Summary.
- b. The following applies when a deductible is expressed as a function of the horsepower rating of a refrigerating or air conditioning system. If more than one compressor is used with a single system, the horsepower rating of the largest motor or compressor will determine the horsepower rating of the system.

2. Direct and Indirect Coverages

- a. Direct Coverages Deductibles and Indirect Coverages Deductibles may be indicated in the Coverage Summary.
- b. Unless more specifically indicated in the Coverage Summary:
 1. Indirect Coverages Deductibles apply to Business Income and Extra Expense loss, regardless of where such coverage is provided in this Equipment Breakdown Coverage; and
 2. Direct Coverages Deductibles apply to all remaining loss, damage or expense covered by this Equipment Breakdown Coverage.

EXAMPLE 2

An "accident" results in covered losses as follows:

\$100,000 Total Loss (all applicable coverages)

\$35,000 Business Income Loss (including \$2,000 of business income loss payable under Data Restoration coverage)

\$5,000 Extra Expense Loss

In this case, the Indirect coverages loss totals \$40,000 before application of the Indirect Coverage Deductible. The Direct coverages loss totals the remaining \$60,000 before application of the Direct Coverage Deductible.

3. Application of Deductibles

a. Dollar Deductibles

MUSIC will not pay for loss, damage or expense resulting from any "one accident" until the amount of loss, damage or expense exceeds the applicable deductible. MUSIC will then pay the amount of loss, damage or expense in excess of the applicable deductible subject to the applicable limits shown in the Coverage Summary.

b. Time Deductibles

If a time deductible is shown on the Coverage Summary, MUSIC will not be liable for any loss occurring during the specified number of hours or days immediately following the "accident." If a time deductible is expressed in days, each day shall mean twenty-four consecutive hours.

E. LOSS CONDITIONS

1. Abandonment

There can be no abandonment of any property.

2. Brands and Labels

- a. If branded or labeled merchandise that is "covered property" is damaged by an "accident," but retains a salvage value, you may:
 1. Stamp the word SALVAGE on the merchandise or its containers if the stamp will not physically damage the merchandise; or
 2. Remove the brands or labels, if doing so will not physically damage the merchandise. You must re-label the merchandise or its containers to comply with the law.

- b. We will pay for any reduction in value of the salvage merchandise resulting from either of the two actions listed in 2.a. above, subject to all applicable limits.
- c. We will also pay the reasonable and necessary expenses you incur to perform either of the two actions described in 2.a. above. We will pay for such expenses to the extent that they do not exceed the amount recoverable from salvage.
- d. If a Brands and Labels Limit is shown on the Declarations, we will not pay more than the indicated amount for coverage under this Condition.

3. Defense

MUSIC has the right, but are not obligated, to defend you against suits arising from claims of owners of property in your care, custody or control. When MUSIC does this, it will be at their expense.

4. Duties in the Event of Loss or Damage

You must see that the following are done in the event of loss or damage:

- a. Give prompt notice of the loss or damage, including a description of the property involved.
- b. You must reduce your loss, damage or expense, if possible, by:
 - 1. Protecting property from further damage. MUSIC will not pay for your failure to protect property, as stated in Exclusion B.1.g.;
 - 2. Resuming business, partially or completely at the location of loss or at another location;
 - 3. Making up lost business within a reasonable amount of time. This includes working extra time or overtime at the location of loss or at another location. The reasonable amount of time does not necessarily end when the operations are resumed;
 - 4. Using merchandise or other property available to you;
 - 5. Using the property or services of others; and
 - 6. Salvaging the damaged property.
- c. Allow MUSIC a reasonable time and opportunity to examine the property and premises before repair or replacement is undertaken or physical evidence of the "accident" is removed. But you must take whatever measures are necessary for protection from further damage.
- d. Make no statement that will assume any obligation or admit any liability, for any loss damage or expense for which we may be liable, without consent.
- e. Promptly send MUSIC any legal papers or notices received concerning the loss, damage or expense.
- f. as often as may be reasonably required, permit MUSIC to inspect your property, premises and records. Also permit them to take samples of damaged and undamaged property for inspection, testing and analysis, and permit them to make copies from your books and records.
- g. If requested, permit MUSIC to examine you and any of your agents, employees and representatives under oath. MUSIC may examine any member under oath while not in the presence of any other insured. Such examination:
 - 1. May be at any time reasonably required;

2. May be about any matter relating to this coverage, your loss, damage or expense, or your claim, including, but not limited to, your books and records; and
 3. May be recorded by MUSIC by any methods they choose.
- h. Send MUSIC a signed, sworn proof of loss containing the information they request. You must do this within 60 days after their request.
- i. Cooperate with MUSIC in the investigation and settlement of the claim.

5. Errors and Omissions

- a. MUSIC will pay your loss covered by this Equipment Breakdown coverage if such loss is otherwise not payable solely because of any of the following:
1. Any error or unintentional omission in the description or location of property as insured under this document;
 2. Any failure through error to include any premises owned or occupied by you at the inception of this coverage; or
 3. Any error or unintentional omission by you that results in cancellation of any premises insured under this document.
- b. No coverage is provided as a result of any error or unintentional omission by you in the reporting of values.
- c. It is a condition of this coverage that such errors or unintentional omissions shall be reported and corrected when discovered.

6. Proving Your Loss

It is your responsibility, at your own expense, to provide documentation to us:

- a. Demonstrating that the loss, damage or expense is the result of an "accident" covered under this Equipment Breakdown Coverage; and
- b. Calculating the dollar amount of the loss, damage and expense that you claim is covered. Your responsibility in 6.a. above is without regard to whether or not the possible "accident" occurred at your premises or involved your equipment.

7. Salvage and Recoveries

When, in connection with any loss under this Equipment Breakdown Coverage, any salvage or recovery is received after the payment for such loss, the amount of the loss shall be refigured on the basis on which it would have been settled had the amount of salvage or recovery been known at the time the loss was originally determined. Any amounts thus found to be due either party from the other shall be paid promptly.

8. Valuation

MUSIC will determine the values of "covered property" as follows"

- a. Except as specified otherwise, payment for damaged "covered property" will be the smallest of:
1. The cost to repair the damaged property;
 2. The cost to replace the damaged property on the same site; or
 3. The amount you actually spend that is necessary to repair or replace the damaged property.

- b. The amount of payment will be based on the most cost-effective means to replace the function, capacity and remaining useful life of the damaged property. This may include the use of generic, used or reconditioned parts, equipment or property.
- c. Except as described in d. below, you must pay the extra cost of replacing damaged property with property of a better kind or quality or of a different size or capacity.
- d. Environmental, Safety and Efficiency Improvements If "covered equipment" requires replacement due to an "accident." MUSIC will pay your additional cost to replace with equipment that they agree is better for the environment, safer for people or more energy efficient than the equipment being replaced, subject to the following conditions:
 - 1. They will not pay more than 150% of what the cost would have been to replace with like kind and quality;
 - 2. They will not pay to increase the size or capacity of the equipment;
 - 3. This provision only applies to Property Damage coverage;
 - 4. This provision does not increase any of the applicable limits;
 - 5. The provision does not apply to any property valued on an Actual Cash Value Basis; and
 - 6. This provision does not apply to the replacement of component parts.
- e. The following property will be valued on an Actual Cash Value basis:
 - 1. Any property that does not currently serve a useful or necessary function for you;
 - 2. Any "covered property" that you do not repair or replace within 24 months after the date of the "accident"; and
 - 3. Any "covered property" for which Actual Cash Value coverage is specified in the Coverage Summary. Actual Cash Value includes deduction for depreciation.
- f. If any one of the following conditions is met, property held for sale by you will be valued at the sales price as if no loss or damage had occurred, less any discounts and expenses that otherwise would have applied:
 - 1. The property was manufactured by you;
 - 2. The sales price of the property is less than the replacement cost of the property; or
 - 3. You are unable to replace the property before its anticipated sale.
- g. Except as specifically provided for under Data Restoration coverage, "data" and "media" will be valued on the following basis:
 - 1. For mass-produced and commercially available software, at the replacement cost.
 - 2. For all other "data" and "media," at the cost of blank "media" for reproducing the records. We will not pay for "data" representing financial records based on the face value of such records.
- h. Air conditioning or refrigeration equipment that utilizes a refrigerant containing CFC (chlorofluorocarbon) substances will be valued at the cost to do the least expensive of the following:
 - 1. Repair or replace the damaged property and replace any lost CFC refrigerant;
 - 2. Repair the damaged property, retrofit the system to accept a non-CFC refrigerant and charge the system with a non-CFC refrigerant: or

3. Replace the system with one using a non-CFC refrigerant. In determining the least expensive option, MUSIC will include any associated Business Income or Extra Expense loss. If option (2) or (3) is more expensive than (1), but you wish to retrofit or replace anyway, MUSIC will consider this better for the environment and therefore eligible for valuation under paragraph d. Environmental, Safety and Efficiency Improvements. In such case, E.8.d.(1) is amended to read: "We will not pay more than 125% of what the cost would have been to repair or replace with like kind and quality."

F. ADDITIONAL CONDITIONS

1. Additional Insured

If a person or organization is designated in this Equipment Breakdown Coverage as an additional insured, we will consider them to be an insured under this Equipment Breakdown Coverage only to the extent of their interest in the "covered property."

If MUSIC adopts any standard form revision for general use that would broaden the coverage under this Equipment Breakdown Coverage without additional premium, the broadened coverage will apply to this Equipment Breakdown Coverage commencing on the date that such revision becomes effective in the jurisdiction where the "accident" occurs.

7. Maintaining Your Property and Equipment

It is your responsibility to appropriately maintain your property and equipment. MUSIC will not pay your costs to maintain, operate, protect or enhance your property or equipment. even if such costs are to comply with our recommendations or prevent loss, damage or expense that would be covered under this document.

9. Document Period, Coverage Territory

Under this Equipment Breakdown Coverage:

- a. The "accident" must occur during the Document Period, but expiration of the Document does not limit MUSIC's liability.

11. Suspension

Whenever "covered equipment" is found to be in, or exposed to, a dangerous condition, any of our representatives may immediately suspend the coverage against loss from an "accident" to that "covered equipment." This can be done by delivering or mailing a written notice of suspension to:

- a. Your last known address: or
- b. The address where the "covered equipment" is located.

Once suspended in this way, your coverage can be reinstated only by an endorsement for that "covered equipment." If MUSIC suspends your coverage, you will get a pro rata refund of

premium for that "covered equipment" for the period of suspension. But the suspension will be effective even if they have not yet made or offered a refund.

12. Transfer of Rights of Recovery Against others to MUSIC

If any person or organization to or for whom MUSIC makes payment under this Equipment Breakdown Coverage has rights to recover damages from another, those rights are transferred to MUSIC to the extent of their payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:
